

FFRH0822R1

Frigidaire 8,000 BTU
Window-Mounted Room
Air Conditioner with
Supplemental Heat

SIGNATURE FEATURES

Multi-Speed Fan

Features three different fan speeds, for more cooling flexibility.

Programmable 24-Hour On/Off Timer

Customize times to fit your schedule for immediate comfort when you get home. The built in timer allows you to preset the unit to turn on and off in half hour increments.

Sleep Mode

Maximum comfort throughout the evening hours with the added benefit of energy savings. With Sleep Mode, the temperature gradually increases a few degrees over the evening.

Remote Control

Allows you to precisely control the temperature and fan speed from across the room.

AVAILABLE COLORS

White

MORE EASY-TO-USE FEATURES

Supplemental Heating Option

With our supplemental heating capability, you can be comfortable no matter regardless of the temperature outside - you have both heating and cooling solutions!

Effortless™ Temperature Control

Our air conditioners maintain the preset room temperature, so you will remain comfortable at all times.

2-in-1 Cooling and Heating System

It's not only an air conditioner, it has a heating function giving you the option to use your 2-in-1 Air Conditioner and Heater year round - and in all temperatures. ¹

Easier Installation

With the slide-out chassis, you have an easier solution to installing your air conditioner. First install the outer cabinet of the AC in the window, then slide the interior of the air conditioner into place.

Easy-to-Clean Washable Filter

Capture dust from the air and keep your air conditioner working efficiently with our easy-to-clean washable filter.

SpaceWise® Adjustable Design Optional Side Panels

With the Adjustable Side Panels, the side panels will extend to best fit your window.

Power Cord

Comes with an extra long three-prong cord — makes extension cords unnecessary.
